RECEIVED  
CLERK U.S. DISTRICT COURT

AUG 23 2006

DISTRICT OF HAWAII

Sir:

Peace be with you!

I'm writing you this letter for I am one of the claimants of the Human Rights victims during the Marcos Regime in the Philippines. I was alarmed reading the newspaper here dated July 28, 2006 that the members of the said claimants original number of 9,539 was trimmed down to 7,503. It is a big question now who would be among these 7,503? Is it unfair for these or even myself for being denied of the justice? For it was everyone's hope and desire for almost 2 decades now to receive justice from the maltreatments we received from the Marcos' Dictatorship. It is a very sad news that after all the long waiting we will just be deprived of our rights.

Sir, I fervently hope and pray that this will be settled. I would like to request from your good office to give me some informations of what is the development of the case and wants to know as well my position of this claim.

With great hope and appreciation of your support w/  
 this cause, May God bless you and your out more grace.  
 Thank you!

Sincerely yours,
